

## Monticello Woods Preferred Provider of Residential Waste Services

The Monticello Woods Homeowners Association has an agreement with Bay Disposal to provide homeowners in the community with residential waste services at a preferred rate. From April 1, 2018 to March 31, 2020, the following services will be offered:

- One day per week pickup
- One 95 gallon cart for each home
- Allow up to three bags placed next to the cart per pickup
- Each homeowner billed quarterly by Bay Disposal

The monthly cost to homeowners will be \$17.50. To take advantage of this preferred rate, homeowners should contact Bay Disposal directly at 757-857-9700 to initiate service. Remember to reference Monticello Woods when you call.

While you do not have to change providers, the preferred rate offered by Bay Disposal could represent a significant reduction in cost. By signing up with our preferred provider you will also benefit from having trash service on the same day as recycling, with fewer trash trucks in the neighborhood.

If you have any questions regarding this service, please contact the Association Manager.
